

ZIM's Special Cargo Services

We know that one size doesn't fit all.

Whether you're shipping project cargo, over-dimensional, break bulk, heavy lift, or out-of-gauge, our solutions are as diverse as your needs.

Planning your next shipment?

Make sure to prepare your:

- Cargo dimensions (length, width, height)
- Total weight (including packaging)
- Number and location of lifting/lashing points
- Photos/drawings and additional supporting details
- Type of good/cargo/commodity
- Required packaging

Big Cargo? **Bigger Solutions!**

Breakbulk Cargo

No cargo is too complex for our expert teams.

From industrial facilities to aircrafts and beyond, our customized solutions are designed to accommodate unique freight.

Out of Gauge (OOG)

Using a variety of special equipment at our disposal, our fleet includes flats, open tops, we use precise handling techniques to ensure your cargo arrives safely and on time.

Special Cargo Desk

ZIM's dedicated team provides end-to-end support, covering every step from the initial design and planning to shipment execution and safe delivery.

Types of Containers

		Open Top 		
General Use		Suitable for over height cargo units that cannot be loaded through the container doors such as machinery, sheet glass, marble, building materials, lumber and large tires.		
Size		20'	40'	OH40' Open Top 40' High Cube
Weight* Kilograms/Lbs	Max. Gross Wt.	30,480 67,200	30,480 67,200	32,500 71,650
	Tare Wt.	2,250 4,960	3,800 8,158	3,860 8,510
	Max. Payload	28,230 62,240	26,680 59,049	28,640 63,140
Internal Dimensions* Millimeters/Feet/Inches	Length	5,894 19' 4 1/8"	12,027 39' 5 1/2"	12,032 39' 5 11/16"
	Width	2,344 7' 8 5/16"	2,344 7' 8 5/16"	2,352 7' 8 5/8"
	Height	2,347 7' 8 3/8"	2,347 7' 8 3/8"	2,653 8' 8 7/16"
Door Opening* Millimeters/Feet/Inches	Width	2,336 7' 7 15/16"	2,336 7' 7 15/16"	2,340 7' 8 1/8"
	Height	2,275 7' 5 1/2"	2,275 7' 5 1/2"	2,585 8' 5 3/4"
Vol* M ³ /Ft ³ Capacity		31.5 1,112	67.0 2,365.6	74.4 2,630
Notes		Door Headlock Removable Steel
